COMMUNITY MEETING WITH CHEMOURS

White River Township Hall | 7386 Post Rd, Montague

Thursday | Jan. 25, 2024 | 5:30 p.m. *

A state agency will be in town to update the public on the environmental status and cleanup of the 1,300-acre property of DuPont's chemical-manufacturing plant that operated west of Montague from 1955 to 1996. The acreage touches both White Lake and Lake Michigan. Also on hand will be a representative of Chemours, the DuPont spinoff that has overseen the property since 2015.

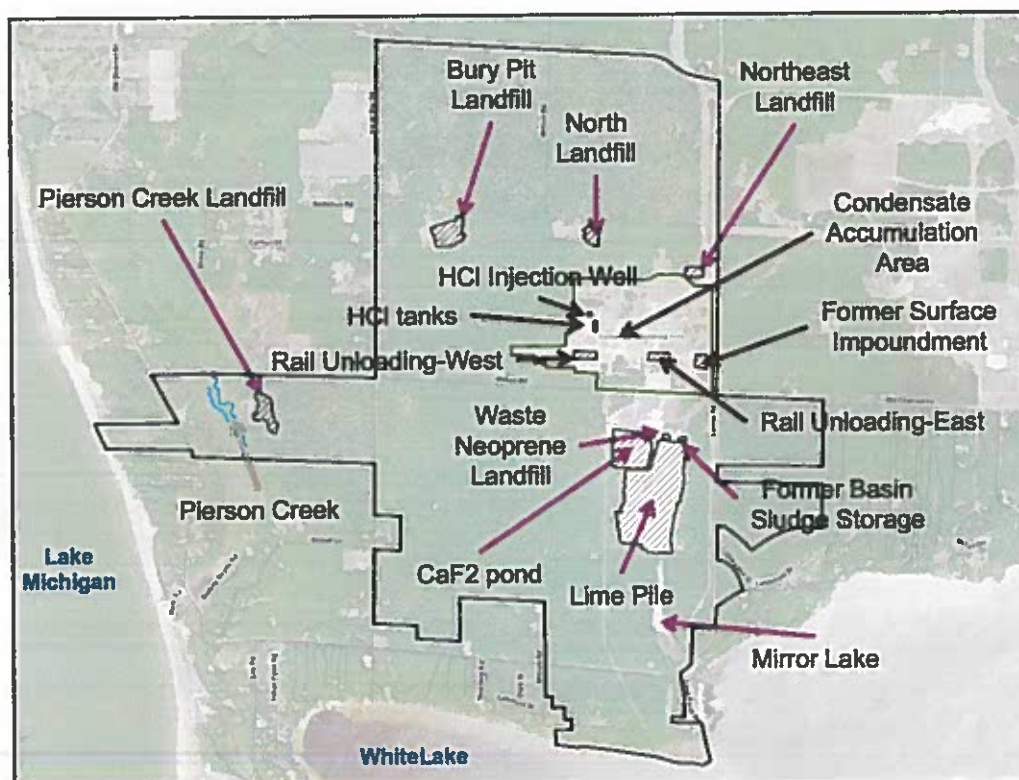

Your In-Person Attendance is Important!
